Scheduling

1. The following court schedules are established to reduce occupancy in the court building:

- County Court will be held pursuant to the dates previously identified by the Frio County Judge, or other days with no conflict with other courts, after the building has been cleaned by maintenance staff. Each Courtroom shall be cleaned and sanitized after use. On their day of court, each defendant will report to the front door of the courthouse, sign in, and leave a call back number. Courthouse staff will then call the defendants into the courtroom, 10 at a time, so that they can conduct their business in front of the court. No more than 10 defendants will be permitted in the courtroom at any one time, pursuant to the social distancing guidelines shown on Exhibit A. Once the first 10 defendants have completed their business in front of the court, they will be dismissed and the next ten defendants will be called into the courtroom by court personnel. This process will continue until each defendant has conducted their required business in front of the court and been excused. Excess individuals will remain socially distanced outside of the courthouse. Reasonable accommodations will be made for any disability.

- District Court shall be set pursuant to the dockets maintained by the District Court Administrator. The District Court Administrator will restrict the number of cases on dockets, and will stagger the hearing times, to reduce the number of people appearing at any one time. Counsel and Defendants will, when practicable, appear via Zoom. A “Zoom Room” will be established in the Court Building for counsel, civil litigants, criminal defendants and witnesses not appearing via Zoom. Each District Court will be livestreamed to the public via YouTube.

- AG / DFPS Court shall be set pursuant to the scheduled 2020 docket maintained by their respective Court Administrators and Frio County District Clerk’s Office and shall be take place in the Frio County District Courtroom. Bailiffs will work to accommodate family units in this court and all other courts within the County. Their Court Administrators will restrict the number of cases on dockets, and/or will stagger the hearing times, to reduce the number of people appearing at any one time.
